

## Cambridge University Rambling Club (CURaC)

### *Lent Term 2018 Term Card*

To new ramblers and returning members alike, welcome to the Cambridge University Rambling Club! We invite you to leave the city for a few hours this term to enjoy the surrounding countryside with us. The pace of our walks is generally easy, as our main aim is to relax and appreciate the local scenery. You should bring a packed lunch (except for half-day rambles) and a bottle of water anyway. Strong boots, waterproofs, and warm clothing are also recommended. Your only expense will be the bus or train fare (given below) and our annual £1 membership fee. There is no need to sign up in advance to join any of this term's walks – just turn up at the time and place given.

For more information and for photos of past events, please explore our website at [www.srcf.ucam.org/curac](http://www.srcf.ucam.org/curac)

##### Wild Fenland, Wild Ponies (20 km / 13 miles)

A return of our club's favourite! Disembarking near Anglesey Abbey, we shall walk on quiet back roads, tracks, and cycle ways to Wicken Fen (a National Nature Reserve). Wicken Fen is one of Britain's oldest nature reserves and was the first one to be cared for by the Trust (since 1899). The National Trust is working on restoring the fenland between Wicken and the edge of Cambridge and so we may even have the opportunity to see the semi-wild Konik ponies (who are diligently doing that!) that graze on the rough fenland! Home to over 9,000 species (many of them beautiful birds), you may want to bring along your pair of binoculars. From there, we will ramble to Burwell over the flat fenland landscape - with big skies and lots of waterways. We will thence end our day at a quiet pub in this Burwell area for a well-deserved drink.

Meet: 09:35 at the Drummer Street Bus Station for the 09:50 bus to Newmarket

From there we turn south, though (not surprisingly) South Acre. Finally, with the help of a Roman road, we'll reach the market town of Swaffham, nowadays famous for its wind turbines.
