

Where'er you walk cool gales shall fan the glade;
 Trees, where thou sit shall crowd into a shade;
 Where'er you tread the blushing flow'rs shall rise,
 And all things flourish where you turn your eyes.

(Alexander Pope)

And of course there are just millions of cool glades, shady trees and blushing flowers in the local countryside which we hope you will frequent with us this term, whenever you feel like fresh air, exercise and a change of environment.

We are an informal group who ramble every weekend during full term on alternate Saturdays (afternoons only) and Sundays. There is no subscription; everyone pays their own bus and train fares.

It is advisable to wear boots or strong shoes and to bring waterproofs, and a packed lunch for all day rambles. For further information contact Neal Alexander (Emma) or Alice Robson (Newnham), or come along to coffee evenings chez Richard Borchers (A1 Whewell's Court, Trinity) on Sundays at 8.00pm. Finally, when meeting at the railway station we meet in the building and not on the platform.
