

# CAMBRIDGE UNIVERSITY RAMBLING CLUB

## Michaelmas Term 2008

Welcome to the Rambling Club! We invite you to leave the city for a few hours this term, and enjoy the surrounding countryside with us. The pace of our walks is generally easy, as our main aim is to relax and appreciate the local scenery and villages, and we have tried to provide a mixture of walks of different lengths. We sometimes stop at a village pub en route, but **you should always bring a packed lunch and a drink** anyway. **Strong boots and waterproof clothing are also recommended.** Your only expense is the bus or train fare (given below), plus our £1 annual membership fee. There is no need to sign up in advance to join any of this term's walks – just turn up at the time and place given. Our meeting points are:

Bus/Coach: At the corner of Drummer Street and Emmanuel Street.

Train: In the main hall of Cambridge Railway Station.

We turn South and head along a footpath to Little Thetford. From here we continue into Stretham, taking a slight diversion to see the village’s windmill. Leaving Stretham we travel further South until we reach the river, and the Stretham Old Engine, a steam-driven fenland drainage engine that was used to pump water from flood-affected areas of The Fens back into the River Great Ouse. From there we follow the Fen Rivers Way along the River Great Ouse back up to Ely, where we can visit the Cathedral or one of Ely’s many Tea Shops before catching the train home.
